

Adena Employer Resource Network

Adena has partnered with Ross County Community Action to help caregivers and their families succeed both at work and at home with the Southern Ohio Employer Resource Network. These programs partner with employers to help employees access services that support employment. ERNs can be found nationwide and statewide, working together to support the people of our communities.

Some of the items the Employer Resource Network can assist with:

- Transportation
- Child care
- Utility help
- Financial planning
- Benefit cliffs
- Tax filing
- Credit repair
- Home buying assistance
- Summer food programs
- Health and wellness

Allison Bowling is Adena's success coach, and will facilitate the ERN program to connect caregivers with community resources. She is onsite at Adena Regional Medical Center Mondays from 10 a.m. to 2 p.m. and Thursdays from 4 p.m. to 8 p.m., but will make arrangements to work with caregivers from any shift at a convenient time.
